

Stillington Parish Council is committed to making its website accessible in accordance with the Public Sector Bodies (Websites and Mobile Applications) (No 2) Accessibility Regulations 2018.

The current website is partially compliant with accessibility standards.

In view of the council's size and resources it would be a disproportionate burden to become fully compliant at the current time. This will be kept under review in order to achieve greater compliance in due course.

Please contact the Parish Clerk to report accessibility problems and alternatives will be provided where possible.
