Coffee Morning at Stillington Village Hall

Tuesday 7th August
10.00am till 12.00 noon

We are raising funds to help the marginalised and poor children of Pushkar in Northern India. We sponsor children's education by funding a street children's school and a special needs school. We provide part-time classes for those who cannot attend full-time school.

Please come along and support us:
Homemade cake, tea and coffee, also silver jewellery
and Amy Butcher's beautiful cards on sale.

The Dragonfly Schools Foundation
Charity no 1170021

Art Group

The Art Group, staffed by Rural Arts and funded by the Arts Council for six sessions, continues to meet on the last Wednesday of each month until November 2018, the next session is:

29th August, 10am - 12 noon.
This Group is open to all, whether you think you have any artistic abilities or not, and all materials are provided. Members have tried their hand at collage and mosaic tiles so far, but the choice is yours – turn up and give it a try!

The Scrumptious Tarts Are Back !

The St Leonard's tea room is back every Saturday and Sunday morning in August from 10.00 – 12.00 in Farlington village hall with teas, coffees and lovely cakes. If you came last year and enjoyed it, please come again. If you did not come last year, come and see what you missed.

Lammastide at

Farlington ~ August 12th
Lammastide is a farming festival to celebrate the start of the harvest. It largely died-out at the time of the Reformation in the latter days of Henry VIII's reign. But, St Leonard's in Farlington is one of a number of churches in rural communities which has brought Lammas back into the church calendar. This year, the service will be on **Sunday August 12th at 10.30am** and everyone is welcome to join us for this special occasion in the farming year and get to taste a Lammas Loaf.

Scottish Country Dancing comes to Stillington

If you happen to have been in the vicinity of the Village Hall on a Tuesday evening in recent weeks, you may well have heard the unmistakable sound of Scottish Country Dance music. The Hall is being put to good use each Tuesday from 7.30 to 9.30 pm in July and August, when Ken and Carol are running a Scottish Country Dance session.

Summer dancing has long been a tradition in the York area, and this year for the first time the sessions are being held in Stillington.

Anybody who has a reasonable knowledge of Scottish Country Dancing and would like to join us, would be made very welcome. The evenings are fun and informal.

Those who would like to see for themselves what is involved in Scottish Country Dancing would be welcome to pop into the Hall and see what we're up to!

For more information, please ring Carol and Ken on 07973 966861 or 07733 004074.

School News

Safe, fun, stimulating care from 2 years of age

Places available in September

It has been a hot summer term and we have made the most of the fantastic weather by learning how to stay safe in the sun, making beach pictures using different media and making our own ice lollies and ice cream. The children were fascinated to see how the ingredients of ice cream change when mixed and frozen. We have also explored movement to music and how our bodies move when we dance. The children have learnt about the numbers on a clock and how tell the time on the hour.

We had a great sports day at Stillington sports ground in July where parents and grandparents came to join in on the fun! On the last day of term we had our summer trip at Yorkshire Forest Folk in Kilburn woods. It was a brilliant day where we searched for Grufflesnout the dragon, the children and their parents made dragon sparks together with a flint and steel, made stick men and fairy houses, toasted marshmallows over the fire and had great fun in the mud kitchen!

Stillington Playgroup is an independent playgroup feeding into several local schools, run on the premises of Stillington Primary School and **open 9:10am until 3:20pm every Tuesday, Wednesday and Thursday during term time.** If you would like to bring your child to see what we do at Playgroup you are welcome to visit together on Thursday mornings from 9:30am to 10:30am, a snack is provided for all children. Playgroup reopens for the Autumn Term on Wednesday 5th September.

Contact: 07779 414226; www.stillingtonunderfives.org.uk
Registered Charity Number: 1023684
Ofsted Unique Reference Number: EY308489

After a very busy month we have said a very fond farewell to our Year Six and have broken up for our long awaited (and much needed) Summer Holidays.

KS1 Outside Area

Play is vital to young children's learning and the outside area near the KS1 classroom, which we share with Stillington Playgroup, has undergone a major refurbishment to make more child friendly. Soft surfaces have replaced gravel and the children now have safe access to the canopy within a quiet area where they can work outside. It's had a lot of use during this hot weather.

Day out at the Deer Shed Festival

We had a fantastic day at Baldersby Park enjoying the delights of the Deer Shed Festival schools' day.

Pupils took part in a wide range of art and science activities as well as den building, circus skills and yoga. The silent disco was a big hit as was Middlesbrough Football Club football skills. The highlight of the day was VX, (a bit like lacrosse), when the pupils got a chance to lob balls at their teachers. We can't understand why they loved it so much!

Governor News

We are pleased to announce that Mrs Corinne Cross has kindly agreed to take on the role of our Chair of Governors. Mrs Cross has been on our Governing body for a while now and has previously worked as a Higher Level Teaching Assistant in school. We are sure that Mrs Cross will be an excellent leader for our dedicated Governing body.

FoSS Hog Roast

We would like to say thank you to everyone who attended our FoSS hog roast and made it a super end of term celebration. Also, big thanks to one of our teachers, Mrs Brown, for running the horse racing and to all of the parents who provided salads. FoSS are very delighted to announce that they raised a huge profit of £500 which would not have been possible if it were not for the kind generosity of parents Andrew Wood, (and Clarks the Bakers), for the bread rolls and Davey Passman of Yorkshire Crackling Hog Roast for the delicious meat, both of whom provided the food for free! A very big thank you to them.

Thank You...

From the Staff to the children who have worked so very hard this year; to parents for their unfailing support; to our conscientious governors; to Friends of the School for their superb fundraising efforts.

And to you, the community that surrounds our little school, who support us, are interested in our future and who do simple things, like throwing balls back into the playground!

Many thanks to you all.

Your editors are: Emma Johnson & Tracy Sinclair. If you would like to contact us please do so using the Stillington News email

Please email contributions for the September issue to news@stillingtonvillage.org by 23rd August

Stillington Sports and Social Club - August

				Sept 1st	Cricket 1st v T.A.B.S. Cricket 2nd No Game	Away	

Stillington Bowling Club

The great weather continues, and our teams are enjoying the bowling season. As one of the smaller clubs we are holding our own in the leagues, taking a few points from each match. We finished fifth in the Hovingham league. Our own open Andre Davis Cup day held on Saturday 14th July was great fun. It was nice to have the clubhouse open and full of bowlers having lunch, tea, coffee, and cakes, between games. A big thank you to Phil and Sue of the White Bear for sponsoring the event. In a close final, Terry Richards and Eric Whorlton of Hutton Rudby beat our own players, David Martin and Ray Midgley.

During the warm summer evenings we now start to play the club fixtures leading up to our own finals weekend on 18th and 19th August. Fixtures for Stillington bowlers in August are as follows:

Wed 1st - **Harome RVL** - Away 2pm
 Mon 6th - **Easingwold TL** - Away 6.30pm
 Tue 7th - **Club Ladies day SBC**
 Mon 13th - **Thirsk Gold TL** - Home 6.30pm
 Wed 15th - **Pickering RVL** - Home 2pm
 Sat 18th - Sun 19th - **Club Finals weekend SBC**
 Mon 20th - **Sowerby Flatts TL** - Away 6.30pm
 Mon 27th - **Sessay TL** - Home 2pm

We are always looking for players, so if you would like to join in, Stillington Social Bowling evenings are held on Wednesday evenings at 7pm and continue all season at the same time each week. Everyone is welcome to come along for a practise and training.

Salvation Army Cloth and Shoe Collection

When the Salvation Army Cloth and Shoe Collection Container at the Sports and Social Club Car Park was recently opened, bags of household waste were found amongst the clothes, ruining items that had been donated.

A new notice has been placed on the container specifying what can be left. Please do not dispose of household waste in this container.

Stillington Tennis

Down the Line Sports have completed their very successful junior coaching sessions with over 25 participants and, we hope, some future budding tennis players. The coaches made sure the sessions were fun too. The two mixed teams, playing in Divs 5 & 7 of the York & District Mixed League, give chance for players to experience match tennis. Our teenage members are gaining experience every time they play, whether it's club tennis or match play.

Stillington Squash

Squash Open Day, Saturday 4th August is for anyone to Come & Have a Go; to see a game of Squash and to view the quality upgrade of our facilities. For those who may be away and miss this opportunity, contact **Matt Bridson, Club Coach, mattsquash@live.co.uk 07949 289 536** or **Jon Conway jconway7075@hotmail.com 07817 827 394** who will be pleased to help.

Stillington Wanderers

It was the Howardian Hills for July walks & the heat. Coneysthorpe, north to the ridge, east to Park House & back within sight of Castle Howard follies: ending with an idyllic village green coffee stop under the oak tree & listening to tales of a retired estate worker.

16th July walk, started from Stearsby fishing lakes, up to Skewsby, Dalby, past what could be the best tree swings of the area overlooking York plain, then down to Whenby and Foulrice with the substantial recent build of an east facing Lime House, insulated with straw bales & outer lime render, through the local horse racing yard & return via Stearsby.

Next walks: Monday 13th and 27th August. Meet outside the White Bear at 9.30am

Village Grass Banks

Thank you to the "Team" who helped to rake up the grass from the village banks & York Road verge. We also acknowledge the many residents who cut their own frontages, throughout the village, week by week which all helps to keep a "cared for" Stillington.

Over 200 villagers celebrate Stillington PO & Shop's 15th anniversary

Over 200 volunteers, customers and shareholders of one of North Yorkshire's most successful village-owned shops gathered to celebrate its 15th anniversary with a hog roast and birthday cakes on the 6th July. Stillington PO & Stores started as a community enterprise when the existing village shop was due to be closed and the premises sold in 2003. Local people stepped in to raise money and buy the business. Founder members of the shop committee were at the party, along with most of the 50+ volunteers who keep the shop running, the Post Office staff and regular customers and suppliers on whose support the shop relies.

Over the years Stillington PO & Stores has won a series of local and national awards including the Duke of York's Community Initiative in 2015, and Hambleton District Council's Community Group Project of the Year in 2016. It has also provided advice and support to other groups seeking to establish similar village-owned shops in the region. The not-for-profit business has now reached the stage where all loans and bonds raised to start the project have been repaid in full, and surplus from its activities is distributed back into village life through grants to local groups. Much of the fresh food sold in the shop comes from local Yorkshire suppliers.

In a short speech prior to the cutting of the birthday cakes, Margaret Price, Chair of the shop committee, praised the vision and boldness of those who had worked together to get the project off the ground, and thanked volunteers and customers for continuing to make it such a success.

CHRISTIAN AID WEEK

A total of **£2798.55** was raised in May 2018 in the Easingwold and District area. **This included £183.49 from Stillington.**

The overall total is down £3356 on 2017, partly due to the problem of not being able to recruit door-to-door collectors, so many thanks to all of you who handed your donations in at the Post Office and thanks to the shop staff for supporting this method of collection.

If anyone would like to hold a fundraising event for Christian Aid or volunteer to help with the 2019 collection, please contact the **Treasurer on 822787.**

Poppies

Many thanks all who have made poppies so far. Red and black wool is available at the back of Stillington Church as well as patterns. Just help yourself.

Stillington Charity For Relief In Need

The Charity is willing to help students towards the cost of books when starting higher education. Please contact the secretary Mrs Adryenne Hope in confidence for further details.

Your Village Defibrillator is kept in the Church Porch Available 24/7

Remember: Call an Ambulance, start CPR, get the Defibrillator - it will tell you what to do

Thank you

Robert and Bev would like to thank everyone who so generously supported their fundraiser for Joe's holiday. They were totally overwhelmed by the generosity of donations, coming to the coffee morning and to all those who made cakes for the cake stall, gave bric a brac, and helped on the day! Joe and his parents are able to take a holiday in Playa Blanca Lanzarote on the 26th October for just over one week. Joe who loves geography and volcanoes has sent a special thank you as you **RAISED £476!**

Thank you Stillington

You are the best Village in the World.

I really wanted to see

volcanos in Lanzarote you have

helped to make this happen

LOTS of love Joe xxx

Stillington Oil Cooperative

Latest (11th June) delivered price for kerosene was **46.46ppl + VAT**. Evidence from new members shows that Cooperative prices are typically 20 – 25% less than the usual market prices.

If you are already a Cooperative Member and need oil, log onto Tate's website www.tateoil.co.uk look on the grey menu bar at the top of the page for the Login tab, select **LSOS (Lower Swale Oil Syndicate)** and then enter the password provided by Tate, before filling in the online form with your requirements.

If unable to use website, phone the dedicated Lower Swale order line **01943 854888**

Members can order at any time. Tate has undertaken to deliver within 10 working days from order. The price charged will be that applying on the delivery date. Membership is open to all.

If you live in or around Stillington and want to know more about the Cooperative, drop us a line or give us a call Peter Coomer or Tim Drew stillington@swaleoil.org.uk or **01347 810891/811572**

Job Vacancy Parish Clerk (16 hours per month)

Stillington Parish Council is seeking a motivated individual to be Clerk and Responsible Finance Officer.

Experience in the administration field will be an advantage but not essential as training will be given

Duties include

- * Preparing agendas and minutes for Parish Council Meetings
- * Attending monthly evening meetings for approx two hours;
plus occasional other meetings
- * Payment of bills and preparing of accounts
- * Dealing with all Parish Council correspondence
- * Other associated tasks as requested by the Parish Council

Applicants should be familiar with computer-based activities including Word, Excel and email.

Remuneration

Pay is based on the National Association of Local Council's job evaluated pay Scale SCP21 (£10.26 per hour) and a working at home allowance for use of Telephone and Broadband together with mileage allowance when on Parish Council Business away from Stillington.

Further Information

The Chairman can be contacted on 01347810475 or via email malcolm.rose@mypostoffice.co.uk for an informal discussion. Alternatively, a written application together with CV can be emailed to Chairman Cllr Malcolm Rowe no later than 6th August 2018.

Stillington Post Office & Stores

Owned by the community. Run by volunteers

Newspaper delivery shambles

We would like to apologise to all our loyal 'home-delivery' customers — and those of you who like to call in early at the shop to collect your morning paper — for the repeated late arrival of morning newspapers in the last few weeks.

The problem is beyond our control. Our newspapers and magazines are supplied to us by Menzies Distribution from their site on Clifton Moor. Menzies hold a total monopoly on newspaper distribution in our region and other parts of the UK. We can't get newspapers from anyone else. Their service to us has been erratic for most of this year and has now become a shambles. Menzies assure us that they are taking steps to improve their reliability...

In the meantime, please bear with us. And if you want to know more about how the newspaper distribution system in this country is squeezing small shops, you can find an interesting article on the web:

<https://www.theguardian.com/media/media-blog/2018/apr/22/newspaper-wholesaler-delivery-corner-shop-closures>

We hope the standard of service our customers are entitled to expect will be resumed soon.

How to Help ourselves and the vulnerable?

Always report concerns; do not respond to unsolicited mail; do not deal with cold callers; appoint Powers of Attorney early; get comparative quotes for work & use recommendations. Local knowledge; local services and raising awareness will all help. The Little Book of Big Scams is a short read with big impact issued by the Metropolitan Police. Invest in a telephone blocker - TrueCall Care is an easy system to set up & will delete vast majority of nuisance calls. www.trusecall.co.uk

Stillington to become a No Cold Calling Zone

Households, within the village should have received a letter from Trading Standards, North Yorkshire County Council, describing the scheme which enables residents to say "NO" to uninvited sales people; to help reduce crime and the fear of crime. This follows the reporting of nuisance callers in the past and a formal request through the Parish Council & NHW.

Neighbourhood Watch, Scams and Fraud:

How to Help ourselves?

Land rovers remain a prime target; a boat & trailer were stolen from Farlington; the boat was found burned out near York; two outboard motors missing.

We have all experienced scams and fraud attempts: Hambleton and Harrogate had the highest reported incidents in North Yorkshire 2017-18. Trading standards teams, working with the police, tackle all forms of fraud and financial abuse of vulnerable adults: 25 defendants have recently been prosecuted for fraud & distraction burglaries; 18 more were awaiting trial and over £200,000 has been returned to victims. Scams and sales calls can be on the doorstep (e.g. roofing and tarmac work), by mail, telephone or online; investment fraud & abuse can be by family members, carers etc. **If you are a victim of fraud call 101 or call Action Fraud 0300 123 2040 actionfraud.police.uk**

11th November 2018 - A Village tribute

St Nicholas Church, Methodist Chapel, the Archive group and the Shop & PO are already planning projects and events. Many poppies are being knitted or crocheted. If you wish to be involved or would like to contribute to the ideas, please contact one of the following: **Elizabeth Cole, stillingtonarchive@gmx.co.uk Muriel Law 810484, Margaret Price 811262, Michael Turvey 810473** or come to a short meeting upstairs in the shop on **Wednesday 15th August at 6pm.**

Weather Report July 2018

Rainfall: Rainfall? What rainfall? At the time of writing, July 20th, we have gone a full calendar month without any measurable rainfall. It is now seven weeks since the last heavy rain, on 2nd June. I imagine this constitutes a drought. Not having access to historical records, I do not know when this last occurred. 1976 comes to mind. Gardens and countryside alike are parched.

Temperature: We had five days towards the end of June when daytime temperatures reached 25°C or more. On the 26th it reached 27.7°C. Night time temperatures were not uncomfortably high, going down as far as 8.8°C on the 22nd/23rd.

I recorded 520kWh from my solar panels, a higher figure than any month last year but still below May's 580kWh.

In the first half of July, daytime temperatures reached 20°C or more every day, with a high of 27.9°C (82°F) on the 15th. The lowest night time temperature was 10.9°C on the 10/11th, but many nights were uncomfortably warm, e.g. a minimum of 15.3°C (60°F) on the 16th.

Countryside Notes

Tuesday 24th July - First, an apology about last month's notes, that were written rather late at night and got mislaid and were not found till well after the deadline. My apologies, someone suggested that my job was done for this month!!! But time moves on and new things appear. One of these things was when an Elephant Hawk Moth, deep pink and light green, emerged from its chrysalis on Friday 29th June. It went to Stillington School for the pupils to see before being released into the evening sky, where we said Goodbye. I was pleased to show the children this because as a small child, our Old Postman brought a caterpillar to show us and I was the lucky one to receive it and to release it in due time. You receive these notes thanks to Postman Walker and others who enthused me in nature years ago. Last night, I took my grandchildren to the Foss to see what they could catch with their little nets. I wondered who would get wet first; It was me; I stood on a stone that rolled over and I was wet from head to toe. You know what they say - once a man and twice a boy. They caught a good number of Sticklebacks and a Loach and many small creatures. It was good to see so much life in the river. Once it contained many fish with shoals of Dace. However, clearing out silt and debris, to improved the flow, and the addition of the sewerage installation at Stillington have all played a part in altering the environment of the river. Last Saturday, I saw a Broad Bordered Hummingbird Hawk Moth in the yard. The wing borders are dark brown with the inner parts transparent with black veins, the body buff grey, black and buff brown and very furry. They fly by day with amazingly fast wing beats and hover like the Hummingbird to extract nectar from flowers with a very long tongue. We seem to have had a good season for bird reproduction on the farm. We have Pied Wagtails and Blue Wagtails with juveniles busily running round the new brown fashioned lawn gathering insects and some older birds are carrying beakfulls to hungry youngsters. The Spotted Flycatchers have raised young that are learning to catch flies, whilst recently a Tawny Owl that we often hear but not see, called out just as light was failing and a little voice replied. I must commend Mr Raymond Midgley on the colourful approach to the west of the village by the little green triangle. What a welcome site - Well Done. It goes without saying how much we need rain to relieve the drought stricken fields and gardens. So, I wish you Showers of Blessing at this time.
