School News

Half a term is behind us so let's look back on some of the things we have been up to.

Safe, fun, stimulating care from 2 years of age

In the latter part of this half term the children have been following the theme of harvest and farms and taking notice of the changing season. We recently spent a morning at Spilman's Farm, where the children had a fantastic time in the pumpkin patch with mini wheelbarrows, selecting the best pumpkin they could find to carve with their parents and grandparents. After a snack in the café we had a run about in the play area and looked at the tractors before returning to playgroup for lunch.

This term has seen us welcome a new Deputy Manager, Caroline Charters. Caroline has over 15 years' experience in early years education and is a great addition to our small team!

We are also really pleased to have been awarded a grant from Stillington Village Association to enable us to update the IT provision. We will shortly be purchasing a new computer for the children to use. The playgroup staff and committee wish to thank the SCA for this grant which will make a big difference!

Stillington Playgroup is an independent playgroup feeding into several local schools, run on the premises of Stillington Primary School and **open 9:10am until 3:20pm every Tuesday, Wednesday and Thursday during term time.** If you would like to bring your child to see what we do at Playgroup you are welcome to visit together on Thursday mornings from 9:30am to 10:30am, a snack is provided for all children.

British Values

What are British Values? We may all have our ideas on what they are but the National Curriculum defines them as democracy; the rule of law; individual liberty; mutual respect for and tolerance of those with different faiths and beliefs and for those without faith.

Democracy was a good starting point. The older children had studied its origins during their Ancient Greek topic now modern democracy was put into action during the election of our school council. The candidates read out speeches filled with election promises such as getting better play equipment; helping upset children feel better and more cake at lunchtime! Their electorate then had a voting slip and went off to put their crosses against the names of two candidates. Of course, it was a first past the post system too. It was definitely democracy in action.

And as promised more cake did appear at lunchtime and the school council held a vote on that. What won? Chocolate, naturally! It was delicious, and the school council helped to make it.

Infant Trip to Beningbrough Hall

It was a glorious Autumn day when the Infant class visited Beningbrough as part of their 'Homes' topic. They had a wonderful time exploring the lives of Victorian servants. They made polish for the silver cutlery from salt, flour and vinegar. Polished spoons, then swept, dusted, beat carpets and tried to use a very old vacuum cleaner. They all decided it was easier to sweep the dust. They found out what a hard life it was, getting up at 5am and not going to bed until 10pm with only half a day off. And don't mention carrying heavy trays up and down those winding stairs! Maybe working in the laundry would be easier? Well the laundry would have been certainly warmer but it was still hard work carrying water and scrubbing, rinsing, wringing and hanging out clothes. Aren't we all glad of our modern washing machines? But it was fun though!

After all that heavy work some time in the wonderful play park was just what was needed before we headed for home. It was a great day out and the staff at Beningbrough were brilliant!

The Dragonfly Schools Foundation

Thank you so much to everyone who put their surplus biros and pencils into the box in the Post Office. Over 200 were collected and they are parcelled and ready to go to India.

The Dragonfly Schools Foundation are most grateful for your contributions - but still need more! If you forgot last time please hunt around in your drawers, desks, the car or anywhere else you can think of for biros and pencils you could donate. New ones are also welcome.

The box is still in the Post Office.

STILLINGTON**

A Warm Welcome and a Warm Goodbye

Dear all

It is my duty to inform you that Bob Brown has retired from the position of Stillington Parish Council Clerk. During the past months we have been seeking a person to take up the duties of the Parish Council Clerk.

We have appointed Mrs Mary Midgley as our new Parish Clerk. Who will commence her duties on the 1st of October 2018. Mary comes to us with a wealth of experience from the public sector. I am sure you will welcome her and give her every assistance in her new role.

Clerk to the Stillington Parish Council:

Mrs Mary Midgley, Sunnybank, High Street, Stillington, York YO61 1LF.

Tel: 01347810285

e-mail: stillingtonpc1@hotmail.com

We wish Bob a long and happy retirement.

Stillington Wanderers

Walkers have been tested this past month with some steep climbs but a wonderful variety of terrain & scenery: firstly from Scawton to Flassen Dale; trees had been felled on the southern slope down showing the bare gradient which may have helped the mental preparation for the northern climb up to Cold Kirby; then along the Cleveland Way to Nettle Dale with a less steep climb up Spring Wood back to Scawton. October 8th route from Sutton Bank followed one of the Times newspaper's chosen autumn walks: northwards along the Cleveland Way across Little Moor below Boltby Scar; back below Southwoods to Gormire Lake & the long trudge up Garbutt Wood. All worth it though!

Next walks: Monday 5th and 19th November. Meet outside the White Bear at 9.30am

Neighbourhood Watch

Scams: please keep alert and aware of different ways we can be cheated of money; our belongings and personal details. This is very often over the telephone, by letter or by Cold Callers. You may receive a call from someone claiming to be from your bank, BT, your computer provider or someone offering you the chance to win a prize. Remember, if you have any doubts about who you are speaking to, terminate the call and call your bank or whoever the caller claims to be from, using another phone or leaving a time lapse to ensure there is no chance of your telephone line being left open. Police advise us that vehicles have driven across crops overnight in Brandsby; it's believed these were poachers. Persons had removed gates to gain access. If you witness people driving across land and you think they are Poachers call the Police on 999 or 101 and if possible note the vehicle reg. no.

Countryside Notes - November

Tuesday 17th October, another wonderful day of sunshine and warmth, finishing with another fabulous streaked pink sunset, like a number recently. This fine warm dry weather is producing wonderful autumn colours, especially the Ash trees that have golden yellow leaves, whereas the Oaks are still fairly green in leaf.

You don't have to go around the world to see magnificent Maples and Acers, for our Field Maple has much to offer and gladdens the eye. This tree is a lady of field and wood with pink and red foliage in spring turning to dark green in summer and finally golden or pink or a mix in autumn. The tree is not a giant but an overlooked beauty.

Flying over this afternoon was a very long V formation of geese at a very high altitude. I suspect that they would be Pink-footed Geese on migration. Earlier in the month, we went to Caerlaverock on the northern side of the Solway Firth to see the newly arrived Barnacle Geese. This sanctuary hosts up to 10,000 of them and is the principal population of the Svalbard Barnacle Geese, who will remain on the Solway until spring. We also saw feeding time when Mute Swans and many ducks come for corn, then a Whooper Swan flew in and was rebuffed by the Cob Mute Swan. A fascinating visit which we enjoyed. The sanctuary was set up by Sir Peter Scott.

Keep your eyes open for there is much to see in this season of Mists and Mellow Fruitfulness to gladden your heart.

Stillington Bonfire CANCELLED

Unfortunately the Bonfire and Fireworks cannot go ahead this year. This is partly because more time is needed to comply with recent changes in safety regulations affecting the event, and partly because we were unable to recruit sufficient volunteers to help with the event this year.

A collection of bonfire material will still be done, as we know many in the village rely on this for their Autumn clear-out. However, this will happen on Monday or Tuesday (5th or 6th) instead of Saturday. If you have a large amount of material, please call **Andy Hart on 810598**. *Please note we will not take mattresses, non-burnable materials, or items too heavy to lift.* For safety reasons the field will be closed when the materials are burned.

Please help to bring back the Bonfire next year!

The Bonfire has been a popular part of Village life for several decades and the Bonfire Committee are already working to bring it back in 2019. **BUT** this can only happen if more people will help.

Save the Bonfire. Come to the next planning meeting. 8pm Sunday 18th November, in the Sports and Social Club.

Remembrance - 100 years commemoration

November brings with it Remembrance Sunday. This year the commemoration is even more poignant as it marks the signing of the Armistice. But as our thoughts turn to 100 years, there is also a reflection on 100 days.

On Sunday 4th August 1918, King George V and Queen Mary joined members of the House of Commons and House of Lords for a special service at Westminster. The King had asked for that date, the fourth anniversary of the declaration of war, should be observed as a national day of prayer. One hundred days later, the war ended.

As we mark this important milestone and remember all who gave their lives for their country, may we also pray for peace; in our world, in our country and in our communities.

200 Club

The '200 Club' is a vital fundraiser for St Nicholas Church, especially this year as the proceeds will be put towards the essential stone repairs to the tower.

It would be really great if more people would join the club, remember, the more members who join the more is paid out in prizes. All existing members are being contacted and we have placed some forms in the Post Office to encourage new ones. Just twelve pounds ensures inclusion in the twelve monthly draws. 40% of the membership money is paid out in prizes. Last year monthly winners each received £50 and a further £240 was shared by runners up.

Please join the club and by helping to support St Nicholas you could win some useful cash yourself.

Weather Report October

Rainfall

The second half of September was less dry than the first, so the total for the month, of 48mm, was about three quarters of the average figure of 62mm.

We had 27mm, over an inch on September 20th and over half an inch (13 mm) twice in the first half of October, adding up to 41mm by the 16th.

Temperature

The highest September temperature was 26°C on the 2nd, and the lowest 3.3°C on 28/29th.

Sunshine in September, at 320kWh, was similar to 2017/16 and about the same as April.

Temperatures in the first half of October have fluctuated. The highest was 22.1°C on the 16th. The coldest night was on the 6/7th when it fell to 1.8°C.
